

# 12<sup>th</sup> Offshore Jack Up Middle East (OJME) 2024

Embracing technology...key for sustainable future

16-17 October

Hilton Palm Jumeirah, Dubai, UAE

**15<sup>th</sup> October: 07:00 PM – OJME Awards & Dinner**

## Conference Agenda

### **Day one: 16<sup>th</sup> October**

08:00 AM - Registration Tea / Coffee

08:50 AM - Moderator announcement

#### **Inaugural Session**

**09:30 AM – Special Address:** Torgeir Sterri - Senior VP and Director of Offshore Classification, DNV

**09:50 AM –** DARREN MACDONALD, COO - Rig Building & MRO, IMI - International Maritime Industries

**10:10 AM – How will global energy demand impact offshore drilling?** - Oddmund Fore, Oddmund Føre, Partner & Head of Shipping and Offshore, Rystad Energy

#### **1030 AM – Tea / Coffee Refreshments**

**11:00 PM – Optimizing Rig Emissions: Advanced Monitoring and Reduction Strategies for Environmental Sustainability** - Manoj Tripathi, Sustainability Manager, Shelf Drilling

**11:20 PM – Overcoming Barriers: Our Journey towards sustainability** - Keyur Athaide, Manager - Marketing (Commercial Dept), Dry Docks World

**11:40 PM – Digital Drilling: Improving operations efficiency, Emissions Management and HSE Video Analytics** - Chandan Majumdar, Principal (LWD), Geosteering, Petrophysics & Digital Drilling), slb

**12:10 PM – Hybrid integration in existing jack up barges- case study** - Ashik Subahani, Managing Director, Sea Delta Marine and Offshore

**12:30 PM – 1:30 PM Lunch**

# 12<sup>th</sup> Offshore Jack Up Middle East (OJME) 2024

Embracing technology...key for sustainable future

16-17 October

Hilton Palm Jumeirah, Dubai, UAE

## **1:30 PM – 2:30 PM – Panel Discussion - Towing challenges for a jack up rig**

Towing a jack-up rig is a complex and challenging operation that requires meticulous planning, powerful towing vessels, and skilled personnel. The success of such operations hinges on managing the structural integrity of the rig, navigating environmental challenges, ensuring compliance with safety regulations, and being prepared for emergencies. Effective coordination and communication among all parties

involved are vital to overcome these challenges and ensure the safe and efficient relocation of the rig.

**Moderator: Capt. Zarir Irani, MD, Constellation Marine Service**

- **Bachar Nasser, Marine Manager - NDMS Qatar, NDMS Qatar Energy Systems, DNV Doha LLC**
- **Capt. Salah Abdulla Al Ramahi - Manager, Logistics Operations (Rig Move Operations) ADNOC L & S**
- **Stephen Craig, Group Director - Rig Ops Services, ABL**
- **Arun Pushkarna, COO, Vahana Offshore**

**2:30 PM – Jack-Up Move Planning and Evaluation of Risk (JUMPER): A Strategic Digital Integrated System to Plan Safe and Sustainable Jack-up Operations - Zine Labidine Delimi , Geosciences Lead, Global Maritime**

**14:50 – 15:20 PM – Tea / Coffee Refreshments**

**3:20 PM – Building a greener future with the next generation of WTI jack-ups – Remco van der List, Director Designs, GustoMSC NOV**

**3:50 PM – Role of large-deformation simulation techniques in offshore geotechnics - Ehsan Izadi, MD, Geo-Wise**

**4:10 PM – Value proposition for rig owners - Eirik Pedersen, Head of Department & Offshore Chief Surveyor, DNV**

**04:30PM – Sustainable GRP Composite Solutions in the Oil and Gas Industry - Kevin Webb, Managing Director, Step on Safety**

**04:30 PM – Refreshments & Close of Day one.**

**Exhibition will be open till 5 PM**

# 12<sup>th</sup> Offshore Jack Up Middle East (OJME) 2024

Embracing technology...key for sustainable future

16-17 October

Hilton Palm Jumeirah, Dubai, UAE

## **Day two: 17<sup>th</sup> October**

**08:00 AM** – Registration Tea / Coffee

**09:30 AM** – **Keynote Speech:** Capt. Mohamed Ali, SVP – Offshore, ADNOC L&S

**09:50 AM** – **The Impact of Sustainability Regulation on Offshore Drilling Contracts - A Comprehensive Analysis** - Amira Maza, Contract and Marketing Manager, Noble Corporation

**10:10 AM** – **Embracing jack-up rigs to transform subsea well intervention** - Ben Cannell, Innovation Director, Aquaterra Energy

**10:40 AM** - **Challenges in MODU to MOPU Conversion: Transforming Drilling Units into Production Units** - Nandlal Aher, Managing Director- India and East Africa, GMCG

### **11:00 AM – Refreshments**

**11:30 AM** – **Smart Hull Monitoring Solutions for Jack-up Units** - Sujesh M Surendran, Chief Marketing Officer, Capital Ship Solutions

**11:50 PM** – **Punch-through response of liftboats compared to conventional jackup rigs** – Bader Diab, PhD, Founder & MD, Offshore Mechanics

**12:10 PM** – **Safety and Risk Management: Strategies for enhancing safety protocols, risk assessment methodologies, and incident prevention specific to Jack Ups** - Boula Rizkallah, Corporate HSE Manager, Vantage Drilling

**12:40 PM** – **HSE Management for a Remote Service-Based Workforce** - Wayne Martin, Technical Manager, Allrig

### **1 PM – 2 PM Lunch**

**02:00- PM** – **Education issues and trends in offshore oil and gas sector** - Dr. Ksenia Alkatheeri, CEO, Trooss Technical, Director of Development and Alumni Relations in the Middle East, St.-Petersburg State University of Economics

**02:20 PM** – **How design technology helps marine operations & Asset management** - Ratheesh Ravi, Zentec Inc.

## 12<sup>th</sup> Offshore Jack Up Middle East (OJME) 2024

Embracing technology...key for sustainable future

16-17 October

Hilton Palm Jumeirah, Dubai, UAE

**02:40 PM – Application of 3D Imaging & Additive Manufacturing in Offshore, Oil & Gas Sector** - Rajesh Thorwe, General Manager & Head of Digital Asset Management Division, Aries Marine Engineering Services

### **3 PM – Tea / Coffee Break**

**03:20 PM – The Future of AI in Sustainability** - Capt. Abhay Nimbalkar, CEO, Greenfield Marine Technologies

**03:40 PM – Floating Desalination: A Key to Offshore Sustainability** – Nawfal Hussain, Key Account Manager, Advanced Watertek

**04:00 PM – Energy Storage System for Hybrid Generator Set on Jack-Up Rigs for Fuel Saving** - Seckin Dogan, Robust

**04:20 PM – Advanced Rope Technology & Sustainability** - Abdullah Kidwai, Executive Director, Newton Energies & Sustainability

**04:30 PM – Vote of thanks**

**04:45 PM – Refreshment & close of day two and end of the conference**

**Exhibition will be open till 5 PM**

*\*The above time slots are indicative & are subject to change*
